PROFESSIONAL SUMMARY

Results-driven Web & Full-Stack Developer with professional experience in web development, custom WordPress solutions, PHP, ReactJS, responsive UI development, CMS management, and web maintenance. Experienced in developing responsive web applications, managing CMS data migration (データ移行), maintaining Japanese municipal websites, and supporting cross-platform application testing with Flutter. Currently working as a Freelance Web Developer, developing database-driven web applications and custom CMS solutions. ITPEC (IP Test) certified with conversational Japanese proficiency (JLPT N4).

TECHNICAL SKILLS

- ◆ Web Development: HTML5, CSS3, JavaScript, PHP, ReactJS, jQuery, WordPress (Full-Stack)
- ◆ Secondary Skills: Flutter (Cross-platform testing & maintenance), Python
- ◆ Low-Code & Tools: Microsoft Power Platform (Power Apps, Power Automate), GitHub, Photoshop (PSD to Web)
- ◆ Specialized Knowledge: CMS Data Migration (データ移行), Multi-Platform Testing, Responsive Web Design, ITPEC Certified

WORK EXPERIENCE

Freelance Web Developer

Self-Employed / Freelance | 2026 – Present

- ◆ Develop responsive web applications using PHP, MySQL, HTML5, CSS3, and JavaScript.
- ◆ Build custom CMS and admin dashboards with CRUD-based content management.
- ◆ Develop responsive interfaces with Light/Dark Mode, animations, and interactive components.
- ◆ Manage website content, profile/CV files, and project assets through administrative systems.

Programmer

Arise Myanmar Co., Ltd. | July 2021 – March 2024

- ◆ Converted PSD designs into responsive web interfaces and handled CMS data migration, content updates, and maintenance for Japanese municipal websites. (eg. city.nobeoka.miyazaki.jp)
- ◆ Maintained web applications and supported Flutter cross-platform testing across iOS, Android, and Windows.
- ◆ Developed myanmar.arise.co.jp from scratch using WordPress, including custom themes and backend integration.
- ◆ Implemented internal workflow solutions using Microsoft Power Apps and Power Automate.

Front-End Web Developer Intern

Arise Myanmar Co., Ltd. | May 2019 – February 2020

- ◆ Performed CMS data migration and content updates for web systems.
- ◆ Worked with WordPress, PHP, and theme customization.

SELECTED PROJECTS

Personal Portfolio & Content Management System

Freelance / Self-Developed Project | 2026

- ◆ CMS management for projects, skills, experience, education, and certifications.
- ◆ Responsive UI with Light/Dark Mode, animations, and hover interactions.
- ◆ Profile, CV, and project asset management.
- ◆ Reusable PHP architecture with PDO-based database access.

Tech Stack: PHP · MySQL · JavaScript · HTML5 · CSS3 · PDO | Project Link: <https://sawlayhtaw.freepage.cc/>
