PROFESSIONAL SUMMARY

Results-driven **Web & Full-Stack Developer** with 3+ years of experience at Arise Myanmar Co., Ltd. Specialized in end-to-end web development, custom WordPress solutions, PHP, ReactJS, and PSD-to-Web responsive designs.

Experienced in managing Japanese municipal sites, CMS data migration (データ移行), and cross-platform app testing with Flutter. ITPEC (IP Test) certified with conversational Japanese proficiency (JLPT N4).

TECHNICAL SKILLS

- ❖ **Web Development:** HTML5, CSS3, JavaScript, PHP, ReactJS, jQuery, WordPress (Full-Stack)
- ❖ **Secondary Skills:** Flutter (Cross-platform testing & maintenance), Python
- ❖ **Low-Code & Tools:** Microsoft Power Platform (Power Apps, Power Automate), GitHub, Photoshop (PSD to Web)
- ❖ **Specialized Knowledge:** CMS Data Migration (データ移行), Multi-Platform Testing, ITPEC Certified

WORK EXPERIENCE

Programmer | Arise Myanmar Co., Ltd.

July 2021 – March 2024

- ❖ **Front-End & CMS Development (Japan Municipal Sites):** Converted Photoshop (PSD) designs into responsive web interfaces and managed legacy site data migration (データ移行), content updates, and CMS maintenance for Japanese municipal websites (e.g., city.nobeoka.miyazaki.jp).
- ❖ **Web & Cross-Platform Support:** Maintained web applications and supported Flutter cross-platform testing across iOS, Android, and Windows for bionly.jp.
- ❖ **Full-Stack WordPress Development:** Developed myanmar.arise.co.jp from scratch, managing full-stack architecture, custom themes, and backend integration.
- ❖ **Low-Code Automation:** Researched and implemented internal workflow tools using Microsoft Power Apps and Power Automate.

Front-End Web Developer Intern | Arise Myanmar Co., Ltd.

May 2019 – Feb 2020

- ❖ **CMS Data Migration (データ移行):** Executed web system data migration and content edits to maintain updated site structures.
- ❖ **WordPress & PHP Development:** Gained hands-on experience in WordPress theme customization, PHP development, and core web architecture.

EDUCATION & CERTIFICATIONS

- ❖ **Bachelor of Computer Science (B.C.Sc)** – University of Computer Studies, Hpa-an (2014 – 2020)
- ❖ **ITPEC Information Technology Professional (IP Test)** – Certified October 2017
- ❖ **JLPT N4 (Japanese-Language Proficiency Test)** – Certified July 2022
